Itinerary

Sat, Nov 3 Fremantle, Australia Embark: 5:00 pm

Lying at the mouth of the Swan River, historic Fremantle - founded in 1829 - is your gateway to Perth, the capital of Western Australia. Situated on the banks of the Swan River some 15 miles upriver from Fremantle, Perth is a bustling city where soaring high-rises co-exist with elegant sandstone buildings from the colonial era. Life here moves at a slower pace, so during your visit, relax and savor the bounties of Western Australia, from the wonders of the bush to the wineries of the Swan Valley, from excellent shopping to a leisurely cruise on the Swan River.

Sun, Nov 4 Geraldton, Australia Arrives: 8:00 am Departs: 5:00 pm

The capital of the Batavia Coast was founded in 1850 as a commercial port serving the Northampton lead mine some 30 miles to the north. While Geraldton remains one of Western Australia's major ports, the city has become a magnet for vacationing Australians. Located between the Chapman and Greenough Rivers, Geraldton boasts a superb Mediterranean climate, scenic beauty and pristine beaches. Coronation Beach has become an international destination for windsurfers.

Mon, Nov 5 At Sea

Tue, Nov 6 At Sea

Wed, Nov 7 Broome, Australia Arrives: 11:00 am Departs: 8:00 pm

In the 1870s, pearl fishermen discovered the rich waters of Roebuck Bay. A decade later, Broome was founded as a base for the pearl trade and was soon described as "the pearling capital of the world." Japanese, Chinese and Aborigine divers toiled in arduous, dangerous labor to harvest oysters from the seabed. For all its importance to the pearling industry, Broome remained a remote outpost on Australia's Kimberley Coast until its discovery as a travel destination. The legacy of its pearling days can be seen in the town's colorful mix of 19th- and early 20th century buildings. Broome also boasts Cable Beach - a 13-mile strand of white-sand that stretches along the azure waters of the Indian Ocean.

Thu, Nov 8 Kimberley Coast, Australia (Scenic Cruising) Arrives: 3:00 pm Departs: 6:00 pm

Located in the northern part of Western Australia, Kimberley is one of the continent's earliest settled regions, dating as far back as 40,000 years. But although its mainland has been inhabited for centuries, its over 8,000 miles of ruggedly beautiful coastline remain so unspoiled that the Kimberley Coast has been identified as one of the least impacted marine environments in the world.

Fri, Nov 9 At Sea

Sat, Nov 10 Darwin, Australia Arrives: 7:00 am Departs: 4:00 pm

Closer to Indonesia than to any other Australian city, Darwin is the capital of the "Top End" - the remote, vast Northern Territory. Home to more than half of the territory's population, the city reflects the rugged endurance and individualism required to survive the Outback. Darwin also boasts a colorful history to add to that heritage. During World War II the Japanese bombed the city and threatened invasion. In 1974, Cyclone Tracy cut a destructive swath through the region. In addition, man-eating crocodiles, tropical monsoons, searing heat and bush fires that burn for weeks are all part of everyday life.

Sun, Nov 11 At Sea

Mon, Nov 12 At Sea

Tue, Nov 13 Cairns, Australia Arrives: 10:00 am Departs: 09:00 pm

Cairns is one of Australia's hottest vacation destinations. Cairns boasts three of Australia's great natural wonders. Just offshore, immense bastions of living coral form the Great Barrier Reef. Sixteen miles of superb beaches stretch to the north of the city - the famed Marlin Coast. And inland lays the immense Daintree National Park. Cairns itself basks in tropical sunshine, balmy breezes waft in from Trinity Bay. The city's graceful, tree-lined esplanade was once the gateway to the gold fields of North Queensland.

Wed, Nov 14 At Sea

Thu, Nov 15 Alotau, Papua New Guinea Arrive: 7:00 am Departs: 5:00 pm

Welcome to an undiscovered paradise of white-sand beaches, crystal waterfalls and volcanic mountains. And if you've come for history, you'll find that, too. This peaceful town was the site of fierce fighting during World War II. Today, it's a peaceful retreat offering the vacationer plenty of time to relax and connect with nature. Beyond the city you'll find a tropical rainforest full of birds of paradise and a laid-back ease worth discovering.

Fri, Nov 16 At Sea

Sat, Nov 17 At Sea

Sun, Nov 18 Brisbane, Australia Arrive: 7:00 am Depart: 5:00 pm

Once considered the "country cousin" among Australian cities, Brisbane is today the nation's third-largest metropolis - and one of the most desirable places to live in the country. Lying on the banks of the meandering Brisbane River, this cosmopolitan city boasts elegant 19th-century sandstone buildings, a lively cultural scene and superb parklands. Brisbane is also your gateway to uniquely Australian adventures, be it the theme parks of the Gold Coast or

Queensland's dazzling beaches.

Tue, Nov 20 Sydney, Australia Disembark: 7:00 am

As your ship passes Harbour Heads, you are presented with the shimmering skyline of Sydney - hailed by many seafarers as "the most beautiful harbor in the world."
